For Sale as a whole or available in two lots:

Offers Over £95,000

Property Highlights

- + Block of commercial conifers extending to approximately 22 acres in total, due for first thinning.
- + Private semi-mature amenity broadleaves extending to approximately 8 acres in total.
- + Access directly onto public road, just 1.5 miles from the main A98 Macduff to Fraserburgh road.

Lot 1: Offers Over £75,000

Lot 1 (shown in red on the sale plan opposite) comprises an IACS-registered land parcel extending to approximately 8.92 hectares (22.04 acres) or thereby in total. The woodland slopes gently in a westerly direction, with an altitude ranging from 200 to 220 metres above sea level, and is bordered by a public road to the west with direct gated access to the woodland.

Most of the land parcel comprises Sitka Spruce commercial woodland planted approximately 20 to 25 years ago, with an area of mixed broadleaves situated towards the western part of the holding and a strip of open ground situated along the western and southern boundaries of the holding. The woodland is now due for thinning, with no outstanding grant obligations understood to be in place. Thinning, and eventual felling, would provide a future owner with a useful source of timber and income.

Lot 2: Offers Over £20,000

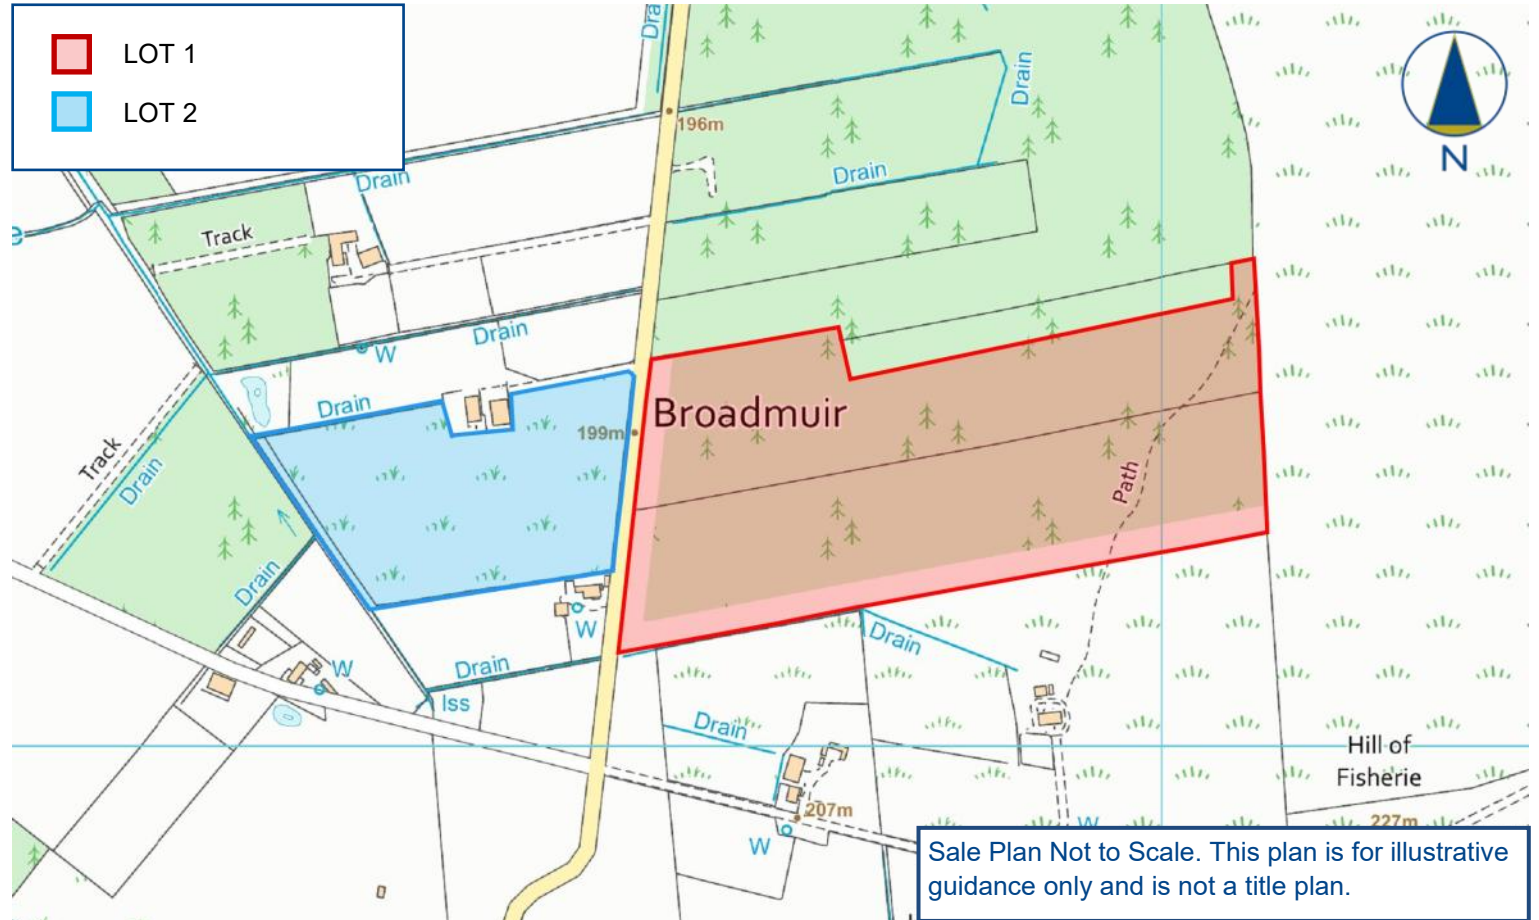

Lot 2 (shown in blue on the sale plan opposite) comprises two IACS-registered land parcels extending to approximately 3.27 hectares (8.08 acres) or thereby in total. The woodland slopes gently in a westerly direction, with an altitude ranging from 170 to 200 metres above sea level, and benefits from gated access from the public road bordering the east of the subjects.

The subjects comprise predominantly of mixed deciduous tree species, as well as areas of open ground situated in the western portion and along the boundaries of the holding. The woodland is understood to have been planted just under 20 years ago, with no outstanding grant obligations understood to be in place. The woodland has potential to be utilised further for amenity and recreational purposes, such as local nature restoration, small-scale dog walking or as a haven for local wildlife.
